About Me

I am a frontend developer and web designer based in Kolkata, also a passionate and dedicated college student pursuing B.tech in CSE. As a budding frontend developer, I constantly seek opportunities to expand my skill set and push the boundaries of what's possible on the web. As a new web designer, My goal is to leave a lasting impact on users by harmonizing aesthetics and usability.

Professional Experience

Intern at CodSoft
2023 – Present

Key responsibilities:
- Analyze the tasks
- Implement real life user experience
- Simple and responsive design
- Uniqueness
